

DIVERSITY AUTO FILMS

Window Tinting Retail Price List

Diversity's high performance auto tint is a dynamic, growing brand of professionally installed, premium automotive window film serving Greater Victoria.

Our products are specially designed to give you the highest heat and glare reduction on the market. Our automotive window film is simply the best in the industry.

Premium Ceramic

Non-metallic, double layer nano-ceramic technology reduces the sun's heat. Blocks 99% of ultraviolet radiation to keep your family safe.

Air 80

Reduce heat, block 99% of UVA and UVB rays while keeping your optical clarity and signal enabling properties for your electronic devices.
